THE WINDY GAP LOT #9

This beautiful home is filled with charm and comfort. In its open floor plan you'll find great attention to detail and a truly special design. The bright tower provides an inspiring and relaxing work area. It is also ideal for parents or grandparents who want to have a fairy-tale like room for children. Special features include solid surface countertops, stainless steel appliances, wood cabinets, oil-rubbed bronze fixtures and hardware, wood burning fireplace, hardwood floors, and tin roof.
